Dear Barrett:

I am pleased to endorse your candidacy for mayor of the Village of Franklin Park. I have been grateful to represent the people of Franklin Park for nearly twenty years, first elected as supervisor of Leyden Township in 1989 and then to the Illinois House of Representatives in 1993.

Having served in these public capacities, I understand as you do the issues and concerns of the residents and businesses of Franklin Park. I believe that your twenty years of experience as an attorney and as Franklin Park Village Prosecutor for the past nine years will be great value and service to the community.

I look forward to working with you.

Sincerely,

Angelo "Skip" Saviano
